

There are two different points competitions during the Speed Week races. Omnium points are awarded at each race and accumulated throughout the series. You can receive your Omnium points payout after the last race in which you participate but only at Roswell, Walterboro, or Sandy Springs. This includes primes. MCR awards will only be available after Sandy Springs. If you have any questions about this payout schedule feel free to call us at (706)549-6632 or email mail@gobike1.com
